

# 2018-19 Right Club Curriculum

THEME	<i>The Adventure Begins!</i>	<i>Time Warp</i>	<i>Uncover &amp; Discover</i>	<i>All the World's A Stage</i>	<i>Around the World</i>	<i>Design Masters</i>	<i>Psyched for Summer!</i>
FOCUS	<b>Community &amp; Sportsmanship</b>	<b>History &amp; Creativity</b>	<b>Science &amp; Problem-Solving</b>	<b>Literature &amp; Performing Arts</b>	<b>Culture &amp; Exploration</b>	<b>Strategy &amp; Ecology</b>	<b>Leadership &amp; Self-Reflection</b>
UNITS	<p><b>Community Connections</b></p> <p>Nothing brings a group of people together like a collection of exciting team challenges! We'll build our Right Club community and meet new friends, as we test our minds and bodies, but most of all have FUN!</p>	<p><b>Land of Pharaohs</b></p> <p>Ancient Egypt was a unique society known for pyramids, mummies, and powerful rulers. Our young archeologists will dig into history to discover the truth hidden in hieroglyphics and ancient ruins.</p>	<p><b>Icky Experiments</b></p> <p>Sometimes science can get messy! We'll step into the lab to discover the chemistry and bodily processes beneath (enjoyably!) gross substances. Becoming the digestive system and making mucky masterpieces are just some gooey fun we have in store.</p>	<p><b>Page to Stage</b></p> <p>All the world's a stage, including right here in Right Club! Our proud performers will compose original poems, songs, and skits designed for public performance. But it will take a team of prop masters, costume designers, directors, and more to prepare for opening night!</p>	<p><b>Global Groove</b></p> <p>Ever wonder what instruments they play in India or how they boogie in Barbados? You're about to find out. We'll explore the diverse instruments, music, and dance of different cultures all over the world, coming to appreciate the beauty of expression across different continents.</p>	<p><b>Game Genie</b></p> <p>Playing games is fun, but creating your own is even better! Learning from classic board games and modern favorites, our game masters will design our own original board games and unique versions of classic table activities to play. Get ready for serious fun in a kid-designed obstacle course, a brand new sport, and a one-of-a-kind Right Club Field Day!</p>	<p><b>RC Memories &amp; Camp Preview</b></p> <p>What a year it's been! Time to reflect upon the all that's happened preserve Right Club memories, while compiling a takeaway keepsake. We'll preview the active, fun ahead for Right Club campers, previewing new themes daily and prepare to say goodbye...until we return for more fun next year!</p>
	<p><b>Global Games &amp; Friends</b></p> <p>Just like you, kids all over the world love to play games with their friends. We'll travel the globe to discover the many different ways they play, compete, and grow closer in this active assortment of international amusement.</p>	<p><b>Medieval Times</b></p> <p>Prepare to travel back to the time of nobility and knighthood, as our lords and ladies explore the legends of this fascinating period, through hands-on activities like using alchemy to make golden goo and using their engineering know-how to build a better catapult.</p>	<p><b>Young Detectives</b></p> <p>Our mystery solvers will explore the science behind crime scene investigation, while learning different aspects of detective work. Ever wanted to decipher hidden messages, become police sketch artists, or make crime-solving tools? The clues say this is the unit for you!</p>	<p><b>Greatest Show on Earth</b></p> <p>Ladies and gentlemen, boys and girls, children of all ages, prepare for the thrill of performing under the Big Top! We'll discover how acrobats keep us on the edge of our seat, step into the big, floppy shoes of clowns to learn how to fill the tent with laughs, and other displays of skill and bravery. It will be a show they will never forget!</p>	<p><b>Awesome Architecture</b></p> <p>Each city has a signature skyline that is part of their identity. We'll discover how these impressive structures are created by making some of our own, while uncovering how each reflects its culture's view of beauty and function. Finally, we'll use our new creations to build a mini-golf course that celebrates these marvels of innovation.</p>	<p><b>Eco-Dream House</b></p> <p>Who says you can't live large and environmentally-conscious at the same time? We'll become planet-friendly designers to envision and design our own eco-friendly dream home, creating 3-D models of the structure, designing landscaping, and creatively harnessing the power of natural resources.</p>	
	<p><b>Right Club Gives Back</b></p> <p>Sometimes people in our community need help. But what can kids do? A lot! We'll find out just how much by creating our own service projects to make our school, town, and world a better place!</p>	<p><b>Fantastic Future</b></p> <p>Our time travelers will move from the past to look into the future. With models, stories, and art, we will create future cities, transportation, technology, fashion, and much more. All of which we will use to share our vision of the future with family and friends in a culminating Future Fair.</p>	<p><b>Continental Creatures</b></p> <p>Each country has their own cuddly critters and creepy crawlies. We'll scour the globe in search of the weirdest and wildest the animal kingdom has to offer before diving into our imaginations to create creatures the world has never seen before.</p>	<p><b>RC Variety Show</b></p> <p>Let's show the world how talented Right Clubbers are! We'll experience all of the elements of putting on a polished performance, like rehearsing, marketing, becoming an emcee, and taking to the stage for a memorable night of entertaining our family and friends.</p>	<p><b>International Celebrations</b></p> <p>Bring your passport, because it's time to see how our friends around the world celebrate life's special moments and what that says about the rich diversity of cultures found on Earth. With this new understanding and our own imagination, we'll design our own unique holiday/celebration.</p>	<p><b>Summer Survivor</b></p> <p>Summer means it's time to get outdoors... survivor- style! Our tribes will use their outdoor survival skills, including shelter-building, tool-making, plant identification, animal tracking, camping safety, and more to fight against Mother Nature to become the ultimate outdoor adventurers!</p>
