# Electives Descriptions (page 1)

## ***Bits—Hands On Construction and Design***

***By Bit Space***

**TUE | Grades 2—8 \$291**

Our Hands-On Design and Construction class is a next-generation shop class for budding young makers and creative problem solvers. Students participate in hands-on design and construction projects utilizing a combination of hand tools and small power tools to craft things from real materials. And the best part is, students get to keep whatever they make!

## ***Chess Scholars***

**THU | Grades K—8 \$164**

Chess Scholars Afterschool Chess Club. Open to grades K-8. Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. No previous knowledge of chess is necessary. Each class will consist of a fun interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session!

## ***Coding and Game Design By Kids STEM Studio***

**TUE | Grades 2—6 \$240**

Learn to code using Tynker's own visual programming language, featuring visual drag-n-drop logic blocks that eliminate the need to understand programming syntax. Young learners learn to program their own games and apps using extensive media gallery and physics engine.

## ***Cooking By The Kids' Table***

**TUE | Grades K—5 \$364**

The Kids' Table is bringing their hands-on cooking programs to your school! Each week, the students chop, grate and roll their way to a different delicious dish, and get the recipe so they can recreate it at home. The program is designed to promote a love of food and healthy eating by teaching age-appropriate culinary skills, exposing kids to a variety of wholesome ingredients and encouraging good food choices. It's hands-on, engaging and delicious, transforming healthy cooking and eating from chore to adventure! But the Kids' Table mission extends well beyond imparting culinary skills. It's about connecting kids with food, with the earth and with each other. The goal? To make the world a healthier place, one delicious dish at a time.

## ***Girl Power Yoga Club By Mission Propelle***

**TUE | Grades K—5**

**\$204**

Mission Propelle empowers girls in elementary school to discover who they are, what they believe, and how to advocate for themselves. We accomplish this through an after-school program that combines yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness, deep breathing techniques, and self-confidence as they practice yoga. They learn how to solve problems by reading original storybooks starring Dottie Tov, a relatable and

age-aligned female protagonist. The girls discuss the content of the book and how it relates to their own life. Throughout class, girls learn to apply leadership skills in their everyday lives as they receive situation-based mentorship from trained instructors. All girls receive digital downloads of the original storybooks each week! ALL STUDENTS RECEIVE A T-SHIRT! \*Collect a new shirt each term. New students receive their very own yoga mat!

\*\*Mission Propelle is one of the largest after school programs in the city! Check out their work in action here: <https://missionpropelle.com/> and [https://www.youtube.com/watch?v=GUFAn7z\\_Xk&feature=youtu.be](https://www.youtube.com/watch?v=GUFAn7z_Xk&feature=youtu.be).

## ***Hip Hop By Design Dance***

**THU | Grades K—3 \$218**

Learn basic hip hop technique in an energetic classroom! Dancers will practice choreography to upbeat music while improving upon rhythm, flexibility, coordination, and improvisation. All hip hop students should wear clean gym shoes and comfortable clothes that they can move in.

## ***Improv Comedy By Knuckleball Comedy***

**WED | Grades 1—5 \$173**

With direction and coaching from an experienced comedian, kids learn the basics of improvisation and performance through fun mind games and interactive play. Along the way, kids will gain valuable communication and teamworking skills as they learn to listen and think creatively. At the end of the session, kids will also produce and star in their very own improv comedy show which is sure to receive lots of laughs from both the audience and participants! Sign up now and let's build confidence and new friendships while we laugh together.

## ***Multi-Sport Madness By We Got Game***

**FRI | Grades K—4 \$187**

Multi-sport

This class features a new sport or game every 3 weeks. This class features a new sport every 3 weeks. New players will learn new skills. Returning players will be able to practice skills and learn team concepts about each sport. Our schedule of sports this session include:

Week 1,2,3- Basketball

Week 4,5,6- Soccer

Week 7,8 - Floor Hockey

Week 9,10,- Capture the flag/running games

Week 11 - Players choice

## ***NASA: Academy of Future Space Explorers***

**THU | Grades K—6 \$247**

Mad Science brings you the excitement and wonder of space in the Academy of Future Space Explorers program, featuring exciting activities from the NASA Langley Center for Distance Learning. The unique programming includes building your own rockets, exploring space phenomena, learning about living in space and more!

### ***Space Robotics By RobotCity Workshop***

**WED | Grades K—2 \$293**

**WED | Grades 3—5 \$293**

Satellites and deep space probes are just different types of robots. This session we will explore how robots are powered in space, different forms of propulsion, magnetic fields, and more! In addition to learning about space travel, each student will get to build and take home a solar-powered planetary rover-bot!

\*Students build different robots every session .

### ***Spanish By Instituto Cervantes***

**MON | Grades 1—3 \$227**

Immersive and enrichment program that will develop the students' ability to understand, speak, read, and write in Spanish. Communication is the objective of the class. Students will use Spanish actively to interact with other students. Grammar will be used as a tool to reinforce students' language skills. Exposure to Spanish and Latin art, culture and geography.

### ***Taekwondo By The Peace School***

**WED | Grades 2—8 \$165**

Register today for this popular course conducted by Instructors of The Peace School, now in its 6th year at Audubon. Students gain confidence, discipline, coordination and strength of mind and body through the practice of Traditional Taekwondo. Class begins with yoga and breathing to prepare students for the more vigorous martial art and self-defense moves. A practical, professional and fun course!

### ***Unicoi Happy Hands By Unicoi Art Studio***

**FRI | Grades 1—4 \$253**

NEW SESSION NEW PROJECTS! Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw, collage and sculpt. Tactile materials like clay, wax strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively with a new project each week.

### ***Unicoi Sketchbook Portfolio***

**By Unicoi Art Studio**

**MON | Grades K—3 \$253**

NEW SESSION NEW PROJECTS! Create a collection of work and explore a new book theme each session. Here are just a few of the sketchbook titles: "Fantasy", "Seasons", "The Me Book", "Adjectives" and "Animals". Paintings, drawings and collages related to the theme are mounted into a large presentation book to store and enjoy.
