Amazing Minds

By Amazing Minds

THU | Grades K—2 \$225

Calling all K-2nd graders! How would you like to go on an incredible journey with Amazing Minds after school where instructors will help sharpen your skills in math, science, geography, language arts and reading through fun, hands-on thematic based activities. Science will come alive through our exploration of rocks and minerals, flight, weather, health and safety, computers; explore math learning about money, geometry and shapes; grab your teacher's hand and travel to China, Ancient Egypt, Italy, Washington DC or Australia to name just a few. Go to the head of the class in reading because of our hands-on reading games involving the animal kingdom, ocean creatures and even the Preamble to the Constitution! (Topics change each session- 18 topics in all). Build rock collections, excavate Ancient Egyptian tombs, or shop in a simulated grocery store. Dissect owl pellets, wear prism glasses, and make raisins bounce! Top it all off with exciting topic related take home prizes such as an Australian boomerang or a shark's tooth! Come and exercise your brain with us after school!

Broadway Bound Featuring Alice in Wonderland Jr "

By Dream Big Performing Arts Workshop

MON | Grades K—5 \$235

Join us for adventures in Wonderland! We'll chase the White Rabbit down the rabbit hole, race the Dodo Bird, get tied up with Tweedle Dee and Tweedle Dum, rap with a bubble-blowing Caterpillar and beat the Queen of Hearts at her own game all while exploring the foundations of drama, music and movement to create our own adaptation of this classic tale. It's set to be a curiously great class that culminates in a performance for family and friends to enjoy! Don't be late!

Chess Challengers By 21st Century Kids

WED | Grades K—4 \$189

Chess fun for kids, with challenges and interactive activities for everyone! Chess Challengers is designed as an engaging chess experience for children in grades K to 3. Chess Challengers provides opportunity for children to improve their critical thinking and problem-solving skills while exploring the game of chess. Instruction is differentiated and designed to engage children at various skill levels. Children receive support and encouragement to achieve! A variety of kid-friendly games, challenge sets, and interactive software enhance the after-school experience. All children take home a magnetic mini chess travel set! Girl Power Yoga Club By Mission Propelle

FRI | Grades K—5 \$200

Mission Propelle empowers girls in elementary school to discover who they are, what they believe, and how to advocate for themselves. We accomplish this through an after-school program that combines yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness, deep breathing techniques, and self-confidence as they practice yoga. They learn how to solve problems by reading original storybooks starring Dottie Tov, a relatable and age-aligned female protagonist. The girls discuss the content of the book and how it relates to their own life. Throughout class, girls learn to apply leadership skills in their everyday lives as they receive situation-based mentorship from trained instructors. All girls receive digital downloads of the original storybooks each week!

NEW STUDENTS RECEIVE A SHIRT AND YOGA MAT.

****Mission Propelle is one of the largest after school programs in the city! Check out their work in action here: <https://missionpropelle.com/> and https://www.youtube.com/watch?v=G-UFAAn7z_Xk&feature=youtu.be**

Electives Descriptions (page 2)

Hip Hop Dance By Design Dance

TUE | Grades K—3 \$225

Learn basic hip hop technique in an energetic classroom! Dancers will practice choreography to upbeat music while improving upon rhythm, flexibility, coordination, and improvisation. All hip hop students should wear clean gym shoes and comfortable clothes that they can move in.

Improv Comedy By Knuckleball Comedy

FRI | Grades K—4 \$179

TUE | Grades 5—8 \$195

With direction and coaching from an experienced comedian, kids learn the basics of improvisation and performance through fun mind games and interactive play. Along the way, kids will gain valuable communication and teamworking skills as they learn to listen and think creatively. At the end of the session, kids will also produce and star in their very own improv comedy show which is sure to receive lots of laughs from both the audience and participants! Sign up now and let's build confidence and new friendships while we laugh together.

My Cool Robot

By 21st Century Kids

TUE | Grades K—6 \$229

My Cool Robot (For children in grades K-2 and 3-6). Learn about engineering and technology with your very own 21st Century Kids robotics set! In My Cool Robot, every child learns from and takes home their own Explore-A-Bot robotics set from 21st Century Kids!

Themed, kid-friendly projects get children started using our advanced building system, until they are ready to design, build, and test their very own amazing creations! This session focuses on remote-controlled robots and challenges. To view the course flyer, please visit <http://21stcenturykids.us/ext/BellMyCoolRobot.pdf>

Karate By Fonseca Karate

WED | Grades K—5 \$179

Fonseca Martial Arts presents karate classes at Bell school. Our program not only teaches the strong foundations of traditional Japanese Shotokan karate, but also cultivates important life skills for children of all ages. Our emphasis on character development encourages children to be respectful, courteous, humble, and thoughtful of others. Good deeds at home, school, and in the community are discussed and praised in class. We employ our S.A.F.E. curriculum, which guides the students in developing the skills to deal with threatening and non-threatening situations with integrity and intelligence.

LEGO Drone Academy By 21st Century Kids

THU | Grades K—6 \$249

LEGO Drone Academy (Open to new* and continuing students in grades K-2 and 3-6). New projects, challenges, and missions every session! In Drone Academy, children learn to build, modify, and fly mini drones made with LEGO bricks! They design and build mission modules. They create checklists, maps, and presentations to prepare for and reflect on their missions and challenges. They learn principles of aeronautics, weight and balance, and flight safety, while earning badges and awards! Drone Academy brings after-school and STEM education to a whole new level! Never before has so much learning been so much fun! Come join us for Drone Academy! *In the first 2-3 weeks, new students will participate in required safety and flight training. To view the course flyer, please visit <http://21stcenturykids.us/ext/BellDroneAcademy.pdf>

LEGO Master Builder Academy

By 21st Century Kids

MON | Grades K—6 \$229

LEGO MBA 3.1 (Adventure Design / The Lost Village) (Open to new and continuing students in grades K-2 and 3-6). Master Builder Academy teaches kids how to improve their LEGO design and building skills, using a sequence of engaging challenge levels with specially designed LEGO building sets. Children learn tips and techniques used by LEGO Master Builders, creative professionals who design all of the LEGO sets sold around the world, as well as design and build the one-of-a-kind models on display at LEGOLAND parks, LEGO stores, and LEGO events worldwide. This is the first course in the third level of the MBA series (Level 3, Course 1). The theme for this session is Adventure Design / The Lost Village (3.1), focusing on story building and building in modules. This MBA course is a powerful academic enrichment with connections to improving literacy, and every child gets to build a multi-model LEGO Master Builder Set they get to take home at the end of the course! view the course flyer, please visit <http://21stcenturykids.us/ext/BellMBA.pdf>

Unicoi Sketching and Painting

By Unicoi Art Studio

WED | Grades 3—6 \$261

ALL NEW PROJECTS!! Our sketching and painting curriculum covers a wide range of subjects. We will sketch and then paint abstract subjects, still lifes, landscapes and portraits. Students will learn about color, brush techniques, composition and many other important skills for creating fine art masterpieces.

Unicoi Happy Hands Mixed Media

By Unicoi Art Studio

FRI | Grades K—3 \$261

ALL NEW PROJECTS!!! Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw and sculpt. Tactile materials like clay, wax strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively.

Video Game Builders By 21st Century Kids

FRI | Grades K—6 \$209

Video Game Builders 3D (For new and continuing students in grades K-2 and 3-6). Let's build, create, and play 3D video games! Video Game Builders 3D combines the physical world with the virtual world to empower children to create their own video games! Children develop interactive storyboards to describe their game, creating physical representations of worlds and characters from their imagination. They transfer the logic and design into special video game creation software, and practice coding to manage behaviors and events! The result is a customized video game to play and share! At the end of the course, parents are emailed a link to their child's projects along with free Microsoft software. New kid-friendly themes and activities every session! To view the course flyer, please visit <http://21stcenturykids.us/ext/BellVGB3D.pdf>
