Electives Descriptions

Beginner and Intermediate Violin By Smiling Strings

THU | \$375 Grades K—8

Modified Suzuki approach. Students learn by rote the basic techniques of holding the violin/bow, producing a good tone and memorizing short songs and rhythms. Instructors hold professional music degrees in performance or music education. Two recitals per school year. Violins are NOT PROVIDED and may be rented for about \$20 a month. Info on where to rent quality instruments as well as the Smiling Strings program can be found at SmilingStrings.com. For more info call (773) 263-8816.

Chess Club By Chess Scholars

MON | \$155 Grades K—8

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. No previous knowledge of chess is necessary. Each class will consist of a fun interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session.

Coding and Game Design

By Kids' STEM Studio

FRI | \$248 Grades 2—5

Learn to code using Tynker's own visual programming language, featuring visual drag-n-drop logic blocks that eliminate the need to understand programming syntax. Young learners learn to program their own games and apps using extensive media gallery and physics engine.

Creative Improv

By Mudlark Theater

THU | \$180 Grades K—5

Creativity and spontaneity are at the heart of this action-packed improvisation class! In each session, participants engage in improvised scenarios, creative movement exercises, vocal training, and character creation. The class gives students the opportunity to tap into their imaginations and bring their own unique characters and stories to life on stage. The class will be split up by grade level if the max number of students has been reached.

Girl Power Yoga Club

By Mission Propelle

WED | \$182 Grades K—5

GIRL POWER YOGA CLUB BY MISSION PROPELLE
Mission Propelle empowers girls in elementary school to discover who they are, what they believe, and how to advocate for themselves. We accomplish this through an after-school program that combines yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness, deep breathing techniques, and self-confidence as they practice yoga. They learn how to solve problems by reading original storybooks starring Dottie Tov, a relatable and age-aligned female protagonist. The girls discuss the content of the book and how it relates to their own life. Throughout class, girls learn to apply leadership skills in their everyday lives as they receive situation-based mentorship from trained instructors. All girls receive digital downloads of the original storybooks each week! ALL STUDENTS RECEIVE A T-SHIRT! *Collect a new shirt each term. New students receive their very own yoga mat! **Mission Propelle is one of the largest after school programs in the city! Check out their work in action here: <https://missionpropelle.com/> and https://www.youtube.com/watch?v=G-FAn7z_Xk&feature=youtu.be

iCook Cooking Class By iCook Inc.

TUE | \$240 Grades K—5

iCOOK is a really fun, hands-on after-school cooking program for children. Our mission is simple: to help teach children to love everything about food – cooking, eating delicious and healthful dishes (of course!) and learning about nutrition, different cultures and stories behind the food. NEW RECIPES!

All Sports and Games By We Got Game

TUE | \$180 Grades K—3

Come out and play as we have fun learning and playing numerous sports & games with unique drills, games, & contests that will keep you active after school. 3Point Athletics' team of engaging and knowledgeable instructors will blend the perfect amount of PE & recess activities with organized games & contests to create a class that is productive, positive, & fun!
