All Sport By 3point Athletics

FRI | Grades 1—5 \$151

Join 3Point Athletics for ALL SPORTS & GAMES right at Orrington School. Throughout the school year, our skilled and experienced instructors will conduct a one-hour game-oriented clinic, once a week, for you and your friends. These clinics will help you stay active & have fun through drills, contests, and game competition. Class will be divided by age/skill level. Sports & games such as basketball, soccer, wiffle ball, capture the flag & kick the can will keep you busy & having fun. We look forward to you joining us as we help the students achieve results that are productive, positive and fun!

Art Club and JR Art Club

By Art Encounter

MON | Grades 3—5 \$180

MON | Grades K—2 \$180

Art Club is back! Join Yadi and explore lots of different art materials in this fun club. You will work on many projects over the course of the program.

New this spring! An art club for budding young artists! We will explore all types of art materials in this club, drawing from nature, animals, and our imagination. Come join the fun!

Chess Club By GM Chess Academy

MON | Grades K—5 \$151

Beginners learn the fundamentals of the game. Experienced players learn essential strategies and tactics necessary for successful, winning chess. Our lessons balance instruction and supervised chess play. We believe that children need to apply their new skills immediately in order to integrate them into their own chess. By playing with their friends, and instructors, our students can retain, and use, chess concepts well past the lessons. .

Connelly's Academy Martial Arts

THU | Grades K—5 \$143

8-8:55 AM. Grandmaster Connelly is one of the most experienced and respected martial arts instructors in Chicago and the North Shore. He and his team of experienced martial arts educators have been providing fun, safe, and age-appropriate classes to our schools for over 25 years. His programs have had success in building confidence and motivating children to be respectful, responsible and resilient. Personal leadership and mutual respect form the foundation of his programs. Grandmaster Connelly and his team make learning martial arts fun, engaging and challenging, all the while building confidence, resiliency and personal leadership. This program teaches goal-setting and persistence, helping each child reach his or her personal best through the study of classical martial arts.

Creative Improv

By Mudlark Theater

THU | Grades K—5 \$151

Creativity and spontaneity are at the heart of this action packed improvisation class. In each session, participants engage in improvised scenarios, creative movement exercises, vocal training, and character creation. The class gives students the opportunity to tap into their im-

agination and bring their own unique characters and stories to life on stage.

Game Design and Coding

By Kids STEM Studio

THU | Grades 2—5 \$226

Learn to code using Tynker's own visual programming language, featuring visual drag-n-drop logic blocks that eliminate the need to understand programming syntax. Young learners learn to program their own games and apps using extensive media gallery and physics engine.

Guitar Rocks

By Everybody Rocks

WED | Grades K—3 \$154

Guitar Rocks I Learn what you need to make great music! Basic chords, melodies as well as singing and strumming at the same time start you on the road to a lifetime of music-making! . Guitar Rocks II We have more to learn about the guitar! If you have participated in guitar classes and/or lessons previously, this class is for you. Learn advanced chording, right hand technique as well as more songs at a faster, but thoughtful, pace. Let's rock!

Hip Hop By Design Dance

TUE | Grades K—3 \$189

Learn basic hip hop technique in an energetic classroom! Dancers will practice choreography to upbeat music while improving upon rhythm, flexibility, coordination, and improvisation. All hip hop students should wear clean gym shoes and comfortable clothes that they can move in.

JEDI Engineering

By Play-Well TEKologies

WED | Grades K—3 \$185

The Force Awakens in this introductory engineering course for young Jedi! Explore engineering principles by designing and building projects using LEGO® materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

Dismissal at 5:20pm

Mad Science System 3!

By Mad Science

FRI | Grades 1—5 \$163

Mad Science offers hands-on science with lots of fun and excitement. Some of the cool program topics we will explore include Stunt Planes and Gliders, Che-Mystery, Wacky Waves and lots more. Each week will focus on a different, spectacular science topic. Each young Mad Scientist will be making some great take home projects too, including a wave modulator, crystal garden, stunt plane and more. All materials are included and instructors are provided by Mad Science of Northern Illinois

Morning Yoga By Ms. Wahle

TUE | Grades K—5 \$127

THU | Grades K—5 \$127

8-8:55 AM. Namaste! Stretch your mind and body in Morning Yoga for 1st to 4th graders. We will learn basic yoga positions. "Child

should wear comfortable clothes that they can move in. Wear socks as we do the movements in socks. Yoga mats are not needed.

Northlight On Campus Drama Club

MON | Grades 2—5 \$138

8-8:55 AM.

Northlight on Campus is a student-centered program, focused on building foundational theatre skills and giving young theatre makers the opportunity to grow. Students will explore the fundamentals of acting through a curriculum that emphasizes collaboration and play. Students will adapt a familiar narrative into a BRAND NEW version of the story that is all their own to be performed for family and friends. Northlight approaches all aspects of our education programming with a spirit of collaboration to encourage a student's artistic growth through self-expression and unbridled creativity.

Spanish By Lango of Chicago

FRI | Grades K—3 \$189

THU | Grades 4—5 \$189

Lango offers language enrichment classes after school days for Preschool - 8th grade students. Our curriculum has been conceptualized on the foundations of second language learning breakthroughs, giving students unique scaffolded opportunities to gradually acquire and use target language constructions and problem solving skills. Students will complete meaningful projects and engage in conversation exchanges with interactive goals, designed to mimic situations they might encounter in their lives.

Sticky Fingers Cooking

TUE | Grades K—5 \$239

FRI | Grades K—5 \$239

Let your child release their inner chef! Students will prepare and eat healthy, globally inspired recipes all while learning to cook in a fun, engaging and real-world way! We will cover terminology, ingredients and fun nutrition facts (even a few bad jokes!) We will practice measurements, use a wide array of cooking utensils all while preparing the freshest ingredients. Full recipes will be created each class with our AWESOME master chef Sticky Fingers Cooking instructors.

Soccer By Soccer Super Stars

TUE | Grades K—3 \$138

At Super Soccer Stars, it is our goal to teach soccer skills in a fun, non-competitive, educational environment. Our philosophy is to use soccer to nurture, to build self-confidence, and to develop teamwork in every class.

Tennis Quick Start

By E Town Tennis

MON | Grades K—5 \$170

Quick Start Tennis is the official program of the USTA where students learn the rules and strokes of tennis. Sportsmanship is emphasized while students play with pressure less tennis balls and a mini net. All strokes will be covered by certified teaching professionals. Please bring a racquet. Few rackets available to borrow. Please bring on your own.
