Chess Club By Kids Chess Academy

WED | Grades K—5 \$132

How do you make kids smarter? With chess! Chess teaches kids how to analyze strategic situations. By getting kids to focus, concentrate, anticipate, and evaluate, Chess Academy can help your child to develop abstract thinking skills. Chess also teaches your child to plan, organize, and multi-task their thinking. And best of all, our staff of U.S. Chess Federation certified instructors will even make it interesting and fun. Sign up today!

1:30-2:30 pm

STEM Club By TopKids

TUE | Grades 2—5 \$120

TOPKIDS STEM Club at Hugo Reid will resume in April 2017 after our first Physics session! Students will explore the world of chemistry with many hands-on fun activities. This second session will focus on fun new experiments!

2:45-3:45 pm
