## Right At School Before and After School at Mountain View Whisman Schools

Right At School is thrilled to be offering its nationally-recognized Before- and After-School Programs in Mountain View Whisman schools this fall. These programs will be hosted right at school every day that school is in session, from 6:30 AM until 6 PM.

Please review the following information and FAQs to learn more about the Right At School program.

### What is the program?

The Right At School program is based on the belief that **children learn best through play**. The enrichment program utilizes *Disguised Learning* methods through experiential two-week curriculum units, such as "Icky Experiments," "Page to Stage," and "Young Detectives." And we know students need to get out those after-school wiggles - we **incorporate physical movement into our day** at least twice - and we take it outside whenever possible. While we engage students from the moment the bell rings in enrichment, and focus on **homework completion**, students just know they're having fun!
