

# 2019 Summer Weekly Themes

<b>TEAM UP CHALLENGE</b>	When we band together, there's no limit to the fun we can have! Through group games, collaborative building projects, and team art challenges, we'll show all it takes to succeed is a little teamwork.
<b>AQUAPALOOZA</b>	Celebrating summer with a wet n' wild week of watery fun. Help us splish and splash our way through this downpour of adventure!
<b>MOVE IT! MIX IT! MESS IT!</b>	We'll make messes and have fun as we play kooky games, create artistic masterpieces, and erect engineering marvels. Get ready to get hands on, with these silly, slimy, and sticky outdoor adventures!
<b>WALK ON THE WILD SIDE</b>	It's called wildlife for a reason! Join our zany zoologists on an expedition into the amazing world of animal antics with art, games, and STEM challenges. Are you ready for a week of wacky, wildlife fun?
<b>EXTREME ENGINEERING</b>	Calling all brilliant builders! With a little imagination and engineering know-how, we'll bring our wildest ideas to life. It's time to astonish us with your impressive structures and creative contraptions in Extreme Engineering challenges!
<b>BEACH 'YA TO IT</b>	Surf's up! We're bringing the beach to us! Get ready to create our own tropical paradise at camp with exciting games, sandy art, and wacky water hijinks.
<b>BELIEVE IT OR NOT!</b>	We're exploring the amazing and analyzing the offbeat with unusual games, odd art, and curious science investigations. As we encounter the outrageous, we'll see that truth really is stranger than fiction!
<b>WILD WORLD OF SPORTS</b>	Why play the same old games when the world is full of fun, crazy and exciting sports just waiting for us to discover. We'll try out some of these lesser-known global games for some action-packed outdoor fun!
<b>HISTORY'S HEROES</b>	History is full of people who were brave in the face of overwhelming odds to make the world a better place. Through games, experiments, and art, we'll discover more about these fascinating heroes and their amazing feats!
<b>WONDEROPOLIS</b>	We'll uncover the wonders of the universe with an unbelievable week of building, exploring, and collaborating. Be ready to connect with your curiosity and think outside the box!
<b>AMERICAN ROAD TRIP</b>	From sprawling urban centers like New York City to small towns of the Midwest, America is unlike any other place on Earth. Let's explore our way across the U.S.A. with games, art, and so much more!
<b>3, 2, 1... BLAST OFF TO THE SCHOOL YEAR!</b>	We're getting ready for school with a journey to space! Our astronauts will get ready for an out-of-this-world school year with galactic challenges that show the sky's the limit when we use our imagination and teamwork!
