

Entrepreneurial Accountant

Have you worked for one of the Big 4 or similar company? Are you tired of working on a small piece of a huge business? Are you ready to make an impact across all departments of a fast-growing company?

Just named an INC. 5000 fastest growing company, Right At School is looking for a passionate and driven Senior Accountant to help us continue our growth trajectory. We have grown over 900% in the last five years and our impact will only grow in the years to come as we drive towards our mission of *Inspiring a Love of Learning and a Commitment to Healthy Living*.

Apply your experience and entrepreneurial drive to drastically reduce our close-time and implement GAAP controls and processes. You will work hand-in-hand with our operating departments to drive increases in gross margin through smarter financial reporting and analysis. Your work will have a tremendous impact on students, families and schools across the country!
