

May 20, 2021

Dear Parents and Guardians,

The nationally recognized after-school student enrichment provider, *Right At School*, is coming to Sacred Heart! Beginning the 2021-2022 school year, Right At School will assume responsibility for after-school programming.

The *Right At School* after school program runs from the time the school bell rings until 6 p.m. Parents will be able to work with *Right at School* to create flexible monthly schedules to support families' busy lives. Families are able to create their own monthly schedules choosing 1, 2, 3, 4, or 5 days per week. Drop-in care is also an option. This allows parents to pay only for the days for which care is needed. Right at School also offers a 10% sibling discount.

Every day students will have a healthy snack, engage in dynamic fitness activities, student-driven projects, team building, leadership development, and have the opportunity to complete homework. *Right at School* also features an enriched curriculum in the form of two-week units. Examples of units include: *Getting Down to Business*, where students are introduced to money and commerce; *Icky Experiments*, where students experiment with sticky substances to learn chemistry; and *Variety Show*, where students rehearse and perform individual talent acts.

We are excited to join other school districts in partnering with *Right at School* to provide this service to our families. *Right at School* is hosting a "Parent Information Night" to provide an overview of their program, answer questions and get to know you. Please join us to learn more about *Right at School*. You can also visit their website at <https://rightatschool.com/districts/sacred-heart-tx/>

Date: June 2, 2021

Location: Join Zoom Meeting from 6:00-7:00pm
